14 Mar 2020

Dearly beloved,

Greetings in the Name of our LORD Jesus Christ!

In response to the spread of COVID-19 in Malaysia, and the call of PM of Malaysia to avoid all mass gatherings, the church leadership has come together to seek God and decided to cancel this weekend service and AGM, and close all services including the youth and children ministry for the month of March.

We are taking this precaution to exercise our love and care to our nation and our neighbours. We want to be socially responsible to reduce the spread of the virus and not to overwhelm the medical services. It is possible a large number of people maybe sick with COVID-19 in the coming days and the medical services will be over-stretched.

To continue our worship and devotion to the Lord, we will post the church sermon in video form through appropriate media channels for personal devotion and corporate worship in CELLS. (Details of this posting will be given later.) Therefore, we encourage everyone to join a CELLS group for the corporate worship of our Lord.

Church office will remain open and pastoral staffs will be available to serve you. The church leaders will continue to monitor the fluid situation prayerfully and keep you updated.

Let us stand together in faith and believe in the Almighty God's protection over us, families and nation. As a church, let us rise up as a beacon of light in this dark hour and continue to intercede for the nation and the world!

Together we serve the Lord!

Pastor Chuah
